

Rothamsted Research and University of Nebraska-Lincoln Joint Webinar Series

Addressing the Challenges of Translational Plant Science Research

**ROTHAMSTED
RESEARCH**

**UNIVERSITY OF
Nebraska
Lincoln**

“High-Throughput Phenotyping for Crop Improvement”

Prof. Malcolm Hawkesford
Head of Plant Sciences
Rothamsted Research

Dr. Yufeng Ge
Associate Professor
Biological Systems Engineering
Director
Plant Phenomics Core Facility
University of Nebraska-Lincoln

Dr. Jennifer Clarke
Professor
Food Science & Technology and Statistics
Director
Quantitative Life Science Initiative
University of Nebraska-Lincoln

Tuesday, January 19, 2020 9:30 am CST (3:30 pm GMT)

Meeting URL: <https://unl.zoom.us/j/99573761303>

Meeting ID: 995 7376 1303
